COMPANY PROFILE

公司简介

公司介绍

LVSSN GROUP, 一个以技术为驱动力, 专注一带一路、俄语系国家和拉美市场的工业品跨境销售与综合服务方案解决商。

LVSSN深耕于建材行业多年, 在水泥、钢铁、矿山、轴承、电气、耐火材料等行业有着丰富经验。我们与全球知名的制造业供应商建立了紧密的合作关系, 可以提供广泛的产品选择, 严格把关产品质量确保稳定可靠; 我们依托多年工程设计总包能力, 配备技术团队为客户提供全面的售后服务与专业的解决方案。LVSSN优势在于集工业品跨境销售、设计研发及工程服务为一体, 为客户提供一站式采购解决方案。

LVSSN的客户辐射东南亚、中东、中非、中亚等几十个国家和地区, 与超过10000家国外深度合作客户, 超过20000家国内先进制造业供应商保持长期合作关系; LVSSN将进一步聚焦战略目标, 将跨国B2B电子商务作为公司的全球战略, 结合自身品牌运作和设计研发能力进一步强化行业优势地位。

COMPANY INTRODUCTION

LVSSN GROUP is a technology-driven company specializing in cross-border sales of industrial products and providing comprehensive service solutions focused on the Belt and Road Initiative, Russian-speaking countries, and the Latin American market.

LVSSN has been deeply involved in the building materials industry for many years and has extensive experience in industries such as cement, steel, mining, bearings, electrical, and refractory materials. We have established close partnerships with globally renowned manufacturing suppliers, allowing us to offer a wide range of product choices while ensuring strict quality control for stable and reliable performance. Leveraging our years of experience in engineering project management, we have a dedicated technical team that provides comprehensive after-sales service and professional solutions to our clients. The strength of LVSSN lies in its integrated approach of cross-border sales of industrial products, design and development, and engineering services, offering customers a one-stop procurement solution.

LVSSN's customer base extends to dozens of countries and regions in Southeast Asia, the Middle East, Central Africa, and Central Asia. We have established deep partnerships with over 10,000 international clients and maintain long-term cooperative relationships with over 20,000 domestic advanced manufacturing suppliers. Looking ahead, LVSSN will continue to focus on its strategic goals and position cross-border B2B e-commerce as a global strategy for the company. Leveraging our brand operations and design and development capabilities, we aim to further strengthen our position and industry advantage.

物位测量仪表/Level Measuring Instruments

超声波物位计

Ultrasonic Level Meters

雷达物位测量仪表

Radar Level Measuring Instruments

温度测量类/Temperature Measurement Items

工业温度计

Industrial Thermometer

配备自标定功能的温度计

Thermometer with
Self-Calibrated Function Thermometer

温度变送器

Temperature Transmitter

高温热电偶温度计

High Temperature
Thermocouple Thermometer

模块化热电偶温度计

ModuLine
Thermocouple Thermometer

热电偶温度计

物位测量类/Level Measurement Items

导波雷达

The Guided Wave Radar

差压类仪表

Differential Pressure Instruments

非接触式雷达

Non-Contacting Radar

音叉点式液位检测

Tuning Fork Type Point level Detection

固体料位测量

Solid Material Level Measurement

流量计类/Flowmeter Items

法兰型涡街流量计

Flange Type Flowmeter

缩径型涡街流量计

Reduced Diameter Vortex Flowmeter

对夹式涡街流量计

Wafer Vortex Flowmeter

电磁流量计传感器

Electromagnetic Flowmeter Sensor

分析仪类/The Analyzer Items

红外、紫外、磁氧、热导分析仪

Infrared, Ultraviolet, Magnetic Oxygen,
